Help Alleviate Africa's Information Famine

AFRICA TODAY often receives requests from libraries, schools, universities and other institutions in Africa for free or subsidized subscriptions. Our financial position does not permit us to meet these requests. We therefore invite readers of AFRICA TODAY to contribute for this purpose. You may designate your gift for a particular institution or send an undesignated gift to be applied as requests come in. We will notify you, if you desire, of the institution to which your gift has been applied. Even though the designee is an institution we are prepared to enter these subscriptions at the individual rate ($17 for one year, $32 for two years, $46 for three years) when the gifts are from individuals, but request institutions adopting another institution to pay at the institutional rate.
